Arrive Kaza and check in hotel, later visit kibber village, Key Monastery & Chichim Bridge. **Overnight stay in hotel at Kaza.**

Key Monastery: The history of the Key Monastery dates back to the 11th century. It is believed that this monastery was constructed by Dromton. The monastery has experienced attacks by the Mongols even before the fifth Dalai Lama visited there. The Dogra army also attacked and devastated the monastery in 1841. Further, it got damaged when an earthquake hit the region in 1975. Over the years, the monastery has had a number of renovations which has made it the structure it is today.

Kibber Village: This beautiful village is located in a cold desert, with nothing but scenic mountains, barren landscape, and green meadows all around. There is an incredible river gorge below the Chicham Bridge which is a feast for the eyes. The clean atmosphere and clear skies at Kibber is a treat for star-watchers and photographers. Kibber has Tibetan-style homes with stone and adobe bricks. The locals of Kibber mainly depend on agriculture, weaving, animal husbandry and tourism for their livelihood

Chicham Bridge: Completed in 2017, the Chicham Bridge is India's highest road span crossing approximately 150 meters above a tributary of the River Spiti in the Himachal Pradesh region. Chicham Bridge is also touted as the "world's highest bridge" which is a partial truth as the deck is in fact located 13,596 feet / 4,145 meters above sea level even if the deck height is not the highest. **Overnight stay at Kaza.**
